Hip, Elbow and Eye GUARANTEE

Litter:

Puppy you are purchasing **DOB: X/XX/XXXX Reg.# XXXXXXXXX Color/Sex Micro Chip #XXXXXXXXXXXXXX**

Is guaranteed to be free of hip & elbow dysplasia, any CERF eye defects if the following criteria are met. The dog will be replaced with an eight week or older puppy from similar breeding or breeding of Bearpoint Kennel's choice provided that all criterions are met.

1. **The dog's hips and elbows should be x-rayed between 24 and 26 months of age by an approved veterinarian, X-rays sent to O.F.A. to be examined. (Dogs over 26 months of age are not covered under this guarantee. Bearpoint Kennel or Black Forest can require a second opinion from a different veterinarian.**
2. If the dog was certified to be dysplastic, the owner must submit proof in writing from O.F.A. (A copy of O.F.A.'s certification) and from a veterinarian that the dog has been spayed or neutered. Bearpoint Kennel has access to any vet records of injuries occurring prior to 2 years of age. (Micro Chip number must be present on written documents.)
3. **The dog **must not** be used for breeding until x-rayed and approved by O.F.A. If the dog is used for Breeding or has been bred before being approved by O.F.A., guarantee is VOID.**
4. **The dog must have his/her eyes examined by 1 year of age by a certified veterinary ophthalmologist.** The ophthalmologist must state in writing that the defect is of a hereditary nature and not caused by injury or illness. (Micro Chip number must be present on written document.) Dogs over 18 months are not covered under this guarantee.
5. **Ethical Breeder policy:** Puppies will be sold with a Limited Registration. Dogs Hips/Elbows, Eyes and ALL DNA requirements must be met per guarantee. Bearpoint has the right to refuse anyone Full Registration if deemed necessary. Cost of full Registration is \$25.00 which is paid to AKC directly by new owner. All Health clearances are at new owners' expense.
6. **No dog will be guaranteed unless the pup/dog is registered with AKC and/or UKC and must carry the word Bearpoint.** Full Registration will not be granted if Bearpoint is not in the puppy/dogs registered name (30 Characters Max). Micro-chip must also be registered and has not been transferred to a new owner. *Also, except Black Forest.* Bearpoint may also for any of these conditions, refuse a new owner requesting dog replacement or Full Registration.
7. **Feed your puppy a good premium food and do not over feed your puppy. The levels in Kinetic are a good example. Kinetic Puppy, 28% Protein and 15% Fat. Feed the Kinetic puppy for at least 6 months to a year. Once they are a year protein and fat levels will depend on their activity level.**
8. We guarantee not to produce an effected (positive) dog with EIC, CNM, or Pra-cd
9. **If not considering a breeding program, puppies should be spayed or neutered after the age of 18 months of age,**

this will promote good healthy joints and growth development. Guarantee voided if not followed!!!
